HS 200

2.1-Channel Integrated Home Theater System with DivX and HDMI

The HS 200's performance will have your friends looking for all the speakers, yet it creates a room full of sound from only a pair of HKTS 2 speakers and a 10" subwoofer with a 200 watt amplifier. Thanks to Dolby Virtual Speaker, this compact system delivers 360 degree imaging beyond anything you thought possible from two speakers. With the full set of Harman Kardon DVD features, including progressive scan, MP3, JPEG and WMA playback, the HS 200 delivers big performance in small rooms.
